Pew E Giving Cards

“E-Giving Cards” are now provided for your use. You will find these cards in the pews. With our increased emphasis on electronic giving and growing member interest in contributing through electronic means, we are offering a new option for those who give electronically. Whether you have set up electronic funds transfer account through your bank, text-to-give or other electronic means to contribute to St. Paul, we ask that you place the card in the regular offering plate each Sunday. By doing so, we can record the number of members using electronic means to contribute. With this information, we can be better prepared to offer the most convenient means for our members to contribute. We will return the cards to the pews for use on subsequent Sunday’s. If you do not wish to use the card, please leave in the pew.

If you have any questions regarding the use of the cards, please ask any member of the Finance Committee. They will be happy to assist you. Look for “Finance Committee” on their name tags.
